

PRIMARY SCHOOL TEACHER **Mother tongue English**

50% or 100% at FOUR-FOREST SCHOOL LUZERN

We are looking for highly motivated teachers to join our excellent team in **LUZERN**. Applicants must be; fully qualified primary school teachers with QTS, mother tongue English, have high expectations of all children and be committed to the ethos of the school. At FOUR-FOREST, a 50% position means working 100% one week and not working at all during the following week. You would continue in this rhythm throughout the school year with your German-speaking colleague. Teachers in a 100% position, work as a class teacher in two different grades, alternating on a weekly basis with their German-speaking colleague.

If you would like to be considered for a position at our school and possess the professional credentials listed above, please send your application to:

Elizabeth Häfliger: elizabeth.haefliger@four-forestschool.ch

We look forward to hearing from you.

FOUR-FOREST
Bilingual International School

Corporate background of the FOUR-FOREST Group:

The schools of the Four-Forest Group consist of Four-Forest schools in Lucerne and Zug and the LMS-Schule in Lucerne. All three schools are state-recognised and offer more than 300 students a high-quality education. In order that each student can receive individual attention and support, students are taught in small groups. Presently we offer, in all locations, a forest school, a pre-school and a kindergarten as well as all classes of the primary school age range. At our location in Lucerne, we also offer a secondary school with grades 7-9 and an additional 10th grade. Based on the curricula of the cantons of Lucerne and Zug, teaching at the Four-Forest schools is delivered equally in German and English. At the LMS-Schule lessons are given in German. The Four-Forest Group employs over 60 members of staff in various full-time and part-time positions. The schools are managed by an experienced team and supported by a Board of Directors, who offers specialist support in the fields of finance and corporate management.
