

## **LOWER PRIMARY SCHOOL TEACHER – 50%** **MOTHER TONGUE ENGLISH** **FOUR-FOREST SCHOOL Luzern from August 2018**

We are looking for a highly motivated teacher to join our excellent team in **LUZERN** from August 2018. Applicants must be; fully qualified primary school teachers, mother tongue English, have high expectations of all children and be committed to the ethos of the school. At Four-Forest, a 50% position means working 100% one week and not working at all during the following week. You would continue in this rhythm throughout the school year with your German-speaking colleague.

If you are a qualified and passionate teacher dedicated to children's development and learning, please send your application to:

We look forward to hearing from you.

### **FOUR-FOREST**

Bilingual International School

#### **Corporate background of the FOUR-FOREST Group:**

The schools of the Four-Forest Group consist of Four-Forest schools in Lucerne and Zug and the LMS-Schule in Lucerne. All three schools are state-recognised and offer close to 300 students a high-quality education.

In order that each student can receive individual attention and support, students are taught in small groups.

Presently we offer, in all locations, a forest school, a pre-school and a kindergarten as well as all classes of the primary school age range. At our location in Lucerne, we also offer a secondary school with grades 7-9 and an additional 10th grade. Based on the curricula of the cantons of Lucerne and Zug, teaching at the Four-Forest schools is delivered equally in German and English. At the LMS-Schule lessons are given in German. The Four-Forest Group employs over 60 members of staff in various full-time and part-time positions. The schools are managed by an experienced team and supported by a Board of Directors, who offers specialist support in the fields of finance and corporate management.
